

# ***TWO's Class***

Our TWO's class offers many opportunities for children to grow and learn academically, socially, physically, and spiritually. The TWO's class is a play-based program that loosely follows a scope and sequence with the "ABC Jesus Loves Me" curriculum. There is plenty of time to socialize and play alongside peers of the same age.

## **Program Goals**

We expect every student who enters our program to advance from his/her current skill level academically, socially, behaviorally, and physically. It is our hope that all students in our program will leave with the following skills or lessons:

- Our students will learn that God loves them and that they can talk to God anytime, anywhere. They will learn about God through His Word and stories from the Bible.
- Our students will learn how to follow basic routines and class rules.
- Our students will learn how to clean up after themselves.
- Our students will learn to be confident and ready to separate from their parent.
- Our students will practice and improve on sharing materials and toys with other students.
- Our students will practice and improve in their fine motor skills, gross motor skills, listening skills and communication skills.

In addition to the overall program goals, our TWO's class focuses on the following skills:

- Identifying basic shapes and colors.
- Practice counting 1-10.
- Being able to name basic body parts.
- Being able to follow 2-3 step directions.
- Sitting for a story for 5 minutes.
- Using the restroom and washing hands independently.

Below is a sample schedule of a TWO's classroom. This can vary by teacher and year depending on the teaching style and classroom dynamics.

Time	Activity
0920-0935	Arrival Time
0935-1000	Manipulative Play
1000-1030	Outside Playtime (or downstairs in inclement weather)
1030-1100	Snack/Free Play
1100-1115	Bible Lesson/Song
1115-1130	Craft
1130-1200	Lunch/Story Time
1200-1230	Clean-up/Outside Play if weather permits
1230	Dismissal
