

April Newsletter

This month at school

Happy Spring! We are enjoying the warmer weather and we are planning some exciting things for the last couple months of school. We are planning a gelato truck visit and we will be raising classroom butterflies.

All of the students have grown so much emotionally, academically, and socially throughout the year. We look forward to celebrating them in our end of year performances and parties. Please make sure your calendars are marked for these special days!

Maria Aguilar Photography will be offering optional spring individual photos on April 10 for those of you that missed fall photos or would like an updated photo of your child. We hope you all have a wonderful Easter! He is risen!

End of the Year Performances

We are beginning to prepare for our end of year performances and the graduation for the pre-k! Please mark your calendars for these special days. Our two year old class will have a Spring Performance followed by an ice cream social. Our threes classes will have a spring show and a summer luau/potluck. Our fours will have a spring show, graduation, and summer luau/potluck.
