

Faith Baptist Church Preschool

May Newsletter

This month at school

We have had an amazing school year at Faith Baptist Preschool. This month we will be finishing up our Bible studies, reviewing material from earlier in the year, and preparing for the End of the Year.

Each classroom has adopted some caterpillars! We are watching them grow, produce cocoons, and we will be able to set them free near the end of the month. The children have loved watching them and it has been the perfect Spring activity!

May 9-11 is Teacher Appreciation week. Spending the year with your children has been the biggest blessing in itself, but if you would like to participate in TA week I have posted a schedule of optional activities previously in the school DOJO account.

PCS Season

Our preschool classrooms are in need of new vacuums. If you are PCSing out and have a vacuum with enough life in it for our preschool we would greatly appreciate a donation.

Stick vacuums are preferred as we don't have a lot of space. Thank you!

Gelato Truck

We had so much fun with the Gelato truck last month we decided to ask him to come back. The Gelato truck will be visiting our school again on Thursday, May 4 after lunch. Please send in €1 if your child can participate.

Spring Photos

If your child had Spring Photos taken you should have received an email to view all proofs.

Part of your package includes one 5 x 7 print.

Please follow the directions in the video when entering your child's photo gallery to select which print you would like. Maria Aguilar Photography is missing some requests and would like to complete the orders. Please email MariaAguilarPhotography@gmail.com with any questions. Thank you!

Calendar

May 4- Gelato Truck Visit

May 9-11 - Teacher Appreciation Week

May 18- 2s Spring Show @ 11:30

May 23- 3s Spring Show @ 11:00
